INVISILIFT®: UNVEIL THE FUTURE OF WATERFRONT ELEGANCE.

Introducing the groundbreaking high-performance Invisilift® by Golden Boat Lifts! Elevate your waterfront sophistication to unprecedented heights. This hybrid lift merges the sleek elegance of an elevator configuration with the magic of hidden mechanics, eliminating bulky motors and gearboxes from sight. Enjoy uninterrupted views of the sunrise, with nothing but smooth, clean lines enhancing your waterfront experience. Experience the future of boat lifts with Invisilift® – where beauty meets functionality seamlessly. Say hello to a new era of refined waterfront living with the Invisilift®.

Sleek. Modern Aesthetic.

Invisilift® Capacity

3,500 lbs.

7,500 lbs.

10,000 lbs.

15,000 lbs.

FEATURES

- 1) Golden Sea-Drive®
- 2) Zinc anodes
- 3) Guide posts
- 4) Carpeted bunk boards
- 5) Oversized grooved cable winders for longer cable life
- 7) Stainless steel cables
- 8) Stainless steel hardware
- 9) Stainless steel brackets and axles
- 10) Heavy-duty wheels and adjustable mount brackets

- Manufactured from 6061-T6 Marine Grade Aluminum to ensure longevity in both Salt & Fresh water conditions.
- All Sea-Drive® Invisilifts are equipped with 12 heavy duty nylon wheels with equalizer brackets for added stability vs. 6 wheels with no equalizers
- The Sea-Drive® carries a 10-year warranty and boasts an amazing 8,000-inch pounds of torque, allowing us to use a 3.5" dia. winder vs. a 2.375".

- All Invisilifts are equipped with sacrificial anodes to help prevent electrolysis.
- Drive mounts are box constructed to cover the cut I-Beam Track.
- 3.5" dia. Solid grooved aluminum winders to resist corrosion.
- Multiple bunk options available.
- All lifts are CE approved.

Golden has been Certified by DQS Inc. to ISO 9001:2015
