4-POST LIFT & MARINA CANOPIES: CLASSIC SHADING SOLUTIONS RE-DEFINING QUALITY & DURABILITY

Golden Sunshades™ are designed from years of experience and industry best practices to provide the ultimate sunshade canopy designed to withstand the harshest of environments. Vinyl tops are fabricated using a unique blend of state-of-the-art techniques for enhanced aesthetic and peace of mind. Oversized frames are rated up to 70MPH wind speeds with the top attached, and up to 180MPH wind speeds with the top removed, so you can rest easy that your investment will stand through the tests of mother nature.
